SUMMARY

I am a fourth-semester Data Science student with a strong interest in data analysis, statistical modeling, and machine learning. Experienced in processing and analyzing data using Python (Pandas, NumPy, Matplotlib, Seaborn), R, and SQL to support data-driven decision making. I have worked on creating interactive data visualizations and simple dashboards, as well as small projects involving prediction, classification, and trend analysis. I am eager to continue learning, enhance my practical skills, and contribute to real-world data science projects.

WORK EXPERIENCE

Indonesian Excise Stamps Quality Control - PERUM PERURI Nov 2025 - now

- Conduct thorough inspection of excise stamps (pita cukai) to ensure quality, accuracy, and compliance with official standards.
- Verify serial numbers, printing quality, and security features to prevent defects and fraud.
- Monitor production processes and identify any inconsistencies or errors.
- Record and report inspection results accurately in the system/database.

Indonesian Passport Production Unit Administrator - PERUM PERURI Jan 2024 - Nov 2025

- Manage and maintain administrative records related to passport production processes.
- Ensure accuracy and completeness of production data, including serial numbers and documentation.
- Prepare reports and documentation for internal use and audit purposes by using EXCEL & SAP.

Indonesian Passport Packing Operator – PERUM PERURI Jul 2023 - Jan 2024

- Perform packing of Indonesian passports according to established procedures and security protocols.
- Coordinate with production and quality control teams to ensure smooth workflow.
- Handle and organize finished goods and semifinished goods for distribution.

EDUCATION

Bachelor of Data Science with Honours Aug 2024 - Aug 2028

Open University (Universitas Terbuka Jakarta)

- Major in Data Science.

ADDITIONAL INFORMATION

- **Technical Skills:** Data Analysis, Machine Learning, Data Visualization, Statistical Analysis, Python (Pandas, NumPy, Scikit-learn), SQL, R, Data Cleaning & Preprocessing, Exploratory Data Analysis (EDA), Data Modeling.
- **Languages:** English, Bahasa Indonesia
- **Certifications:** Google Data Analytics Professional Certificate, IBM Data Science Professional Certificate, Machine Learning Certification (RevoU, Hacktiv8, and Dicoding).
- **Awards/Activities:** Actively participated in IAKA (Innovation Award and Kaizen Award) at PERUM PERURI to gain new breakthrough of technology that can help production process.
